MEMORANDUM

TO: ALL EMPLOYEES

FROM: LAURIE MISNER

DATE: 10/17/2005

As discussed on our company meeting on Friday, our company does not condone the practice of any employee accessing toll records online during the course of their investigation in locating skips. Please be advised that the company does not recommend, endorse or tolerate such procedures. In fact, should anyone be discovered pulling tolls online, they will be terminated immediately.

Laurie Misner
CEO
Global Information Group, Inc.

(Congratulations)

You now have access to the nations Leading skip-tracing sources!!!

1st Source Information specialist is the most advanced and accurate company in the information technology industry. We guarantee that we have already provided your company with our services through our nationwide network of brokers.Now you can go directly to the source and eliminate the middle man and enjoy the considerable savings that your company deserves. We locate the information you need to find within minutes never days. Our advanced methods of tracking allow us to provide the information you need in a faster time period than our competition can boast or even consider!! Our unmatched guarantee policy allows you to feel confident in every search we do, as well as install a sense of security if any incorrect info occurs. If for any reason a recheck occurs that piece becomes a major priority with us to ensure that we are either correct or we get you the correct info as quickly as possible. Compare our services and pricing with your current info brokers cost. You will truly see that 1st Source Information Specialist Inc consistently out performs all the rest.
