

AMENDMENT TO THE COMMITTEE PRINT
OFFERED BY MR. DEUTSCH

In title IV, at the end of subtitle B, insert the following new section:

1 **SEC. 4032. HIGHLY ENRICHED URANIUM DIVERSION**
2 **THREAT PLAN.**

3 Section 307 of the Energy Reorganization Act of
4 1974 (42 U.S.C. 5877) is amended by adding at the end
5 the following new subsection:

6 “(d) Not later than 6 months after the date of the
7 enactment of this Act, the Secretary of Energy shall trans-
8 mit to the Congress a plan to decrease the threat resulting
9 from the theft or diversion of highly enriched uranium.
10 Such plan shall provide, as appropriate, for—

11 “(1) monitoring of highly enriched uranium
12 supplies at any commercial companies who have ac-
13 cess to substantial amounts of highly enriched ura-
14 nium;

15 “(2) assistance to companies described in para-
16 graph (1) with security and personnel checks;

17 “(3) acceleration of the process of blending
18 down excess highly enriched uranium into low-en-
19 riched uranium;

20 “(4) purchasing highly enriched uranium;

1 “(5) paying the cost of shipping highly enriched
2 uranium;

3 “(6) accelerating the conversion of commercial
4 research reactors and energy reactors to the use of
5 low-enriched uranium where they now use highly en-
6 riched uranium; and

7 “(7) minimizing, and encouraging transparency
8 in, the further enrichment of low-enriched uranium
9 to highly enriched uranium.”.
